

In partnership with My104.3 the Student of the Month program recognizes some of our most deserving students.

GI-TEC instructors nominate students based on character, leadership, work ethic, commitment, citizenship and responsibility.

Winners are chosen by My104.3 listeners through online voting. Winners are given a generous prize package from some of our GREAT local employers.

# STUDENT OF THE MONTH

## ELISE GUERRERO

Mrs. Gatti had this to say:

*Elise is an exceptional student in health science. Last year, she completed the Nursing Assistant class and, this year, she is doing well in Health Careers. Her goal is to work with moms and babies. Elise's calm and kind demeanor is one of the many reasons she will succeed in any health care career. At her school, she is involved in National Honor Society, has been in BPA and is currently in Health Occupations Students of America. Family is very important to Elise, and she spends a lot of time with her family.*

*I nominated Elise for Student of the Month because she impresses me with her quiet leadership. I see other students go to her for answers, and they respect her opinions. I can't wait to see how Elise conquers the world*
