

In partnership with My104.3

The Student of the Month program recognizes some of our most deserving students

GI-TEC instructors nominate students based on character, leadership, work ethic, commitment, citizenship and responsibility. Winners are chosen by My104.3 listeners through online voting.

Winners are given a generous prize package from some of our GREAT local employers.

STUDENT OF THE MONTH

SARA LEHNEN

Graphic Arts teacher, Mrs. Langley had this to say about Sara;

I highly recommend Sara because she has shown great potential and a passion for creativity. Ms. Lehnen's willingness to learn and her dedication to excellence in design have stood out amongst her peers. It has been my pleasure to have taught Sara in two of my classes. Each time she earned an A in my class, which is well above the class average. In her senior year, Sara took on many client jobs on top of her course load. Her tireless work ethic was showcased through her knowledge of both design and machine operation by the end of the school year. This is one of many reasons why Ms. Lehnen was awarded \$250.00 for her outstanding photo editing skills by the City of Mt. Pleasant. I believe that Sara already demonstrates leadership skills and this will enable her to be successful in her professional Graphic Design career. I fully believe that she will continue to excel in the future and I offer up to you the highest recommendation I can provide for a student.
