

In Partnership with MY104.3 the Student of the month program recognizes some of our most deserving students.

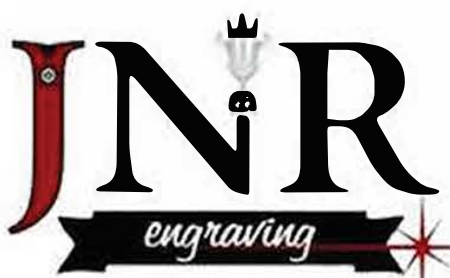

GI-TEC Instructors nominate students based on character, leadership, work ethic, commitment, citizenship and responsibility.

Winners are chosen by My104.3 listeners through online voting. Winners are given a generous prize package from some of our GREAT local employers.

Jack Redmond

February Student of the Month

Jack is a strong leader in Business Management. He is absolutely comfortable taking the reins when necessary, but is just as confident allowing others to shine. Jack brings out the best in his peers. His sweet demeanor and warm personality make him an absolute joy to work with.

Jack's enthusiasm for dedicating his time to others is inspiring. Jack is the first one to volunteer, the last one to leave an event or project and never the person complaining about what has to get done. He is the ultimate role model. He gives of himself 110% unconditionally. To say he is a team player is a gross understatement. He has dedicated himself to the Mt. Pleasant community and school for as long as I have known him. Jack's education is very important to him. He strives every day to be the best student he can be. The quality of his work is very high. Jack is an active participant in his education. Jack is an honors student who was inducted into the National Honor Society his sophomore year and now serves as the president. He is very deserving of Student of the Month.
