

STUDENT OF THE MONTH

In partnership with My104.3 the Student of the Month program recognizes some of our most deserving students.

GI-TEC instructors nominate students based on character, leadership, work ethic, commitment, citizenship and responsibility.

Winners are chosen by My104.3 listeners through online voting. Winners are given a generous prize package from some of our GREAT local employers.

Mercedes Pomranky

Mercedes Pomranky is an amazing student in so many ways. This is her second year in Graphic Arts at GI-TEC. In addition to Graphic Arts, Mercedes is also enrolled in a two hour block of Interior Design. Her future plans are to attend Mid-Michigan

College and then CMU to pursue a career in the arts. During school, she showcases a great work ethic and sets the standard for all the other students. She is inquisitive and always goes the extra mile. While photography is one of her passions, her commitment to excellence does not end there. Mercedes is also proficient in vinyl cutting, laser engraving, and screen printing. Outside of school, she is involved in a multitude of other activities. She has volunteered at both Masonic Pathways and Stone Lodge Memory Care. Mercedes also serves as an active member on the Printing/Graphic Communications advisory board. Mercedes is talented, respectful and has a natural charisma that makes the work environment better by her simply being a part of it.
