

In partnership with My104.3 the Student of the Month program recognizes some of our most deserving students.

GI-TEC instructors nominate students based on character, leadership, work ethic, commitment, citizenship and responsibility.

Winners are chosen by My104.3 listeners through online voting. Winners are given a generous prize package from some of our GREAT local employers.

STUDENT OF THE MONTH

Emily Lobert

Mrs. McCormick had this to say:

Emily is a hardworking student that demonstrates leadership and positivity every day. She is self-motivated and completes tasks in the classroom and lab in addition to her own assignments and duties. Emily uses her time in the classroom and lab effectively and always strives to do her best. She utilizes her CTE skills outside of the classroom by using them in a working kitchen at Camp Trotter, a VFW sponsored youth camp, during summer break. Emily has also been essential in volunteering for numerous activities that promote GI-TEC. Some of those activities include; representing GI-TEC in the Homecoming parade, helping with the TEC Open House and providing assistance with various catered events. Emily is also an active member of Key Club and ASL Club.
