ALYNNE WELCH GI-TEC STUDENT OF THE MONTH

Radio/Television Instructor, Mr. Bragg had this to say; Alynne is a very talented young lady. Alynne is a self-taught video editor who loves to jump in and take on any project, no matter how big or small it may be. Alynne has recorded and edited many videos for her school including this year's homecoming court video, homecoming spirit week video and her schools charity week video, not to mention many videos she had produced and put up on YouTube. Just in the last few weeks Alynne has edited a couple of videos for Mt Pleasant Public Schools, one for Pullen Elementary and one for the Gratiot Isabella Technical Education Center. But video editing is just one of Alynne's interests. She has participated in dance classes for the past 15 years and has been in competitive dance for the last 8 years. She is very involved at her school. She has been on the golf team for the past 4 years, student senate for the past 2 years, Youth Advisory board for the past 4 years and she was this year's Homecoming Queen for Alma High School, just to name a few. Alynne's wonderful personality shines through to everyone that knows her. She is definitely a leader among her peers. With Alynne's positive attitude and friendly demeanor and the fact she is a wonderful student, makes her a great candidate for student of the month.
